BEST TIME OF DAY TO CALL: _____

Sponsorship Committee:

This committee consists of finding companies that can be sent an invitation in order to sponsor a table at the event or advertise in Gala program. Most will be "Aggie" owned companies but can be whoever wants to be a sponsor. This committee should consist of at least 3 people.

Auction Donations Committee:

This committee will be to find companies and people to send donation letters to. "Aggie" items bring in the most at auction along with gift cards, which can be used in Colleges Station, for students. The more items the more we can sell. Five of the really nice items will be used for the "casino" prizes. This committee should have at least 5 people.

Public Relations Committee:

This committee is to "get the word out!" Flyers can be made, Radio/TV stations contacted, etc. This committee should consist of at least 3 people.

Decorating Committee:

This committee is for the creative and crafty people! Remember, this is a casino theme and there are a lot of ideas on Pinterest. The large playing cards (18"x24") are sold at Amol's downtown for \$1.99, just saying. This committee should have at least 4-6 people.

Auction Committee:

This committee will work directly with the Silent Auction Chair. They will put together auction packages and baskets, preparing the auction bid sheets, preparing auction display sheets for gift certificate/cards, setting items up as well as working auction tables on the day of event. This committee should consist of 8-10 people.

Gala Event Committee:

This committee will work with the Gala Co-Chairs. They would be helping sell tickets at the meetings, working to find volunteers for "check-in" the night of event, send invitations to Aggie groups(all Aggies & non-Aggies),selling casino extra casino chips, preparing table names and seating chart, catering-make sure food is done and dessert arrives and working the event as needed.

This committee should have at least 10-15 people.

Set-up/Clean-up Committee:

This committee is for the obvious. We will need "all hands on deck" as we hope that everyone can pitch in. This committee should have as many people as possible. We could use husbands here too!
