Elections – The Board Nominating Committee Business

Melissa Gonzales volunteered to be president for our club but unfortunately, due to our San Antonio Aggie Mom's Club Bylaws as approved by the TAMU Federation of Aggie Mother's Club, a president must have been on the board for a minimum of 2 years. Melissa did not meet the qualifications for this position and therefore, we must open the floor for nominations for president along with the other positions of president elect and membership chair. The Board Nomination Committee recommended the candidates and the board approved the nominations.
